

ANSI/ASNT CP-189: ASNT Standard for Qualification and Certification of Nondestructive Testing Personnel **(2011)**

Text Corrections

The following text corrections apply to all printings of *ANSI/ASNT CP-189: ASNT Standard for Qualification and Certification of Nondestructive Testing Personnel* (2011). Subsequent printings of the document will incorporate the correction into the published text.

Page 6: In paragraph 6.3.3.2, the word “per” should be added where indicated.

6.3.3.2 NDT Level II. The candidate shall demonstrate proficiency by performing the applicable nondestructive test method in examining at least one sample **per** technique and a minimum of two samples per method and by interpreting, evaluating, and documenting the results of the examination. The test samples shall be representative of the product that the candidate will encounter in performing the job functions.
